First Asst to the Hon the Resident
in Mysore

Sir,

I am directed to acknowledge the receipt of your letter no 2718 of the 6th June 1904 and to state the views of the Durbar regarding the question of pension of the Officers and men taken from the General Police in Mysore by the British Railway Police, on the occasion of the transfer of jurisdiction over certain lines of Railway in the State.

2. I am to advert to the arrangements made at the time of the assumption of jurisdiction for the selection of the Mysore Police officers as showing the understanding on which the transfer of these officers from the Mysore to the British Service was effected. ~~Mr. Deiniong was then the Supt of the Mysore Railway Police and Mr Wilkieson, on behalf of the British Railway Power took over Charge from~~

[illegible] of the Railway Police, and with the help of Mr Dunning [illegible] Railway Police
having selected the men for the British Railway Police. As the selection
was of men who were already in pensionable service, it was natural that
they should have insisted upon their right to the service they had already
rendered being secured, before they could be induced to accept the transfer
and it was therefore necessary to assure them that they could not be
losers by the transfer in respect of their pension. Such an assurance
was conveyed by Mr Wilkieson in the following terms
thro' Mr Dunning in these terms
in the latters D.O. of the
to the Supt of Police, Bangalore
Dt, a copy of which is here with
forwarded.

" A considerable misapprehension
exists among the Dt Constables in
the matter, I shall feel obliged
if you will be so good as to have
them informed that their past
service will count towards
pension." Vide Mr Dunning's D.O. referred to.

I am also to enclose a demi official
letter written on the 21st March 1902
by Mr Wilkieson, who was

understood to have the requisite authority, to ~~not Dewaning~~ state, that the promise to recognise the Mysore Service of these men was made in March 1896 with the Hon. the Resident's Examiner. It will thus be seen that there was a clear understanding on both the sides, that the past Service of these men would be taken into account.

3. The order of the Govt of India referred to in para 3 of your letter no 882 of the 18th Feb 1903, to give these men pensions from the British Revenues for their Service under the British Govt and to allow the Durbar to give them Pensions or Gratuities as they may think proper for service rendered under them, appears to the Durbar to affect the interests of the men unfavourably. For, if in accordance with the Order of the Govt of India, the Services of these men under the two Govts be separated and pension or gratuity awarded for the two Services independently, then would be losers for no fault of their own; since they would be deprived of the benefit of one undivided pension which they would have got for their entire Service, had they been retained in the Service of the State until the time of their retirement. The longer the Service of these men in Mysore the shorter will be their Service under the

British Govt and it might happen eventually that whose, for the Combined Service they would have retired on a pension, they might get only two gratuities, or a small gratuity and a small pension or two small ~~gratuities~~ pensions for their service under the two Govts. This disadvantage will be inevitable if the officers transferred be not allowed to Combine the one service with the other.

I am to add that the Circumstances in which the Services in mysore of these Police Officers Came to a termination do not satisfy the Conditions of Grant of any of the Classes of pension or gratuity provided for in the Pension Regulations in force in mysore and therefore they have no Claim on the Durbar for any pension or gratuity at this stage of their Service. But when the time Comes for their final Retirement from Service, the Durbar will, ~~adhering to their old Engagement~~, gladly bear their share of the pension. if the Govt of India are pleased to [illegible] of the special circumstances this case to Combine [illegible]

5- In these Circumstances I am to state, that the Durbar will feel highly obliged if the Hon the Resident will be pleased to move the Govt of India to permit these Police Officers to Combine their two Services for one pension for their entire Service, Calculated according to the Rule of Proportions

Dated Bangalore, 30th November 1904.

SIR,

I am directed to invite areference to the correspondence ending with Mr. Venkatavardiengar's letter Pol No. 75, dated 26th July 1904 regarding a proposal to apply the rule of proportion in the disposal of the applications for pension made on behalf of certain men who served in the Mysore State, and were subsequently taken into British employ on the portions of the railways in Mysore over which jurisdiction has been assumed by the British Government.

2. In view of the circumstance hat a definite promise was held out that the past service of the Mysore State servants taken into the British Railway Police would count towards pension, His Excellency the Governor General in Council has agreed to the application to them of the rule of proportions.
